Re: U.S. Patent Application Serial No. 09/340,303
Fredric Goldstein
Our Client/Matter No. 227076/001

Dear Mr. Friedland:

We have been requested by Fredric Goldstein to forward to you a copy of the return receipt postcard from the initial filing of the above-referenced application.

Upon a review of our postcards, it appears that the postcard in question was not returned to us. For your information, we note that our postcards are two-part carbon postcards. One part stays in our office and one part is forwarded to the Patent Office. When the postcards are returned from the Patent Office, we match them together. This is our procedure to ensure that all documents are received. Additionally, if the postcards do not come back, it is our policy to contact the Patent Office to obtain confirmation of the receipt of the documents and then we note same on our copy. In this case, when the postcard did not come back, Ms. Driscoll noted "received" on the back of our copy.

I hope this explanation will be helpful. It is clear that the Preliminary Amendment was included in our package forwarded to the Patent Office on June 28, 1999.

Sincerely,

Angela Fisher
